

FIFA Mini-Pitch Site Proposal

Existing hardtop pad + lighting + proven programming — ready for community impact

WHY THIS SITE WORKS

<p>■ Existing Hardtop Pad Ready-to-use asphalt eliminates ground prep—faster install, lower cost.</p>	<p>💡 Safe & Well-Lit Existing lighting infrastructure supports evening programming and security.</p>
<p>⚽ Soccer Partner Onsite Proven youth futsal & soccer programming ready to activate immediately.</p>	<p>🔑 Long-Term Commitment Dedicated staff, maintenance schedule, and operational support.</p>

PROPOSED SITE FEATURES

✓ Existing asphalt parking pad	✓ Restrooms & water onsite (inside facility)
✓ Lighting infrastructure in place	✓ Close to local schools
✓ Gated & secure access	✓ Easy access & ample parking

PROGRAMMING & COMMUNITY IMPACT

- ▶ Youth small-sided leagues and futsal programming
- ▶ School and homeschool PE partnerships
- ▶ Skills clinics led by qualified, licensed coaches
- ▶ Inclusive programming options for adaptive athletes

Sustainability: Dedicated onsite staff, integrated scheduling, and established maintenance protocols ensure long-term upkeep.
